This is a nag that has no-thing to do with (?) the main storyline. For those of you, who are doing a marathon of For Alice, please just skip to the next chapter ★

The world is full of fun works, but I don't think there's anything more fun than drawing.

But reality is HARSH...

Even to me, I have a source of driving power~

The door to Best Challenge will open...

Hello, this is ARU. It's the Best Challenge special that I said I'll be bringing and finally brought. It doesn't have anything to do with main story-line, so those who are doing a marathon may skip it.

I brought this special to give thanks.

But when I spent the winter away without starting

But dragged it as I blamed myself, who cannot do reality & directing stuff. -.-;;;

Ahahaha... I'm sorry well, T.T TT It's not like they bit me to drop TT TT

Story and art weren't all to mankind? Perspicuous much! Lol of guys. TT TT TT

If it went as predicted, I would've given up at this point. But I already learned of the joy of having others read my manhwa... And the manhwa I tried out was...

FOR ALICE

Story & Art: Aru

I started this manhwa because I wanted to hear that it's fun. Because I knew that I was still terrible at drawing and directing, I didn't expect much. But...

Chapter 1. Over 1000 views...

Kya!!!! Four digits!!

Thousand!!

A thousand people read my manhwa!!

Chapter 2. Moved to Challenge Manhwa...

Yes! Alice why are you here?

Scuse me? Alice!!!?

Is he... ? the popular Challenge Manhwa where you as other 'saddest' manga of publicity is for real!!

And again, as soon as chapter 5 was uploaded onto Challenge Manhwa, suddenly, I'd place in popular manhwa list.

Alice, why are you here?

Suddenly Popular Manhwa

Is Something wrong There's no way my manhwa can be fly popular

Then I went to the apply place called Best Challenge. Plus, the Never god has bestowed me with liking and Of the least in popularity

For Alice in Chapter 5

.....

Oh my, I must've come to Wonderland without myself knowing.

Yeah, this can't be reality, I'll be working after I wake up...

DENIAL OF REALITY

What's more amazing is...

Art is so good!

What happens next?!!

Whoa!! Yours amazing!!

Give me Cheshire!!!

Ukuh!

Hatter! *Drool*

Wait, hey, you. Didn't you say my manhwa was boring? That my drawing lacks realism? Didn't you say that this cant go and as well? (Of course, there were people who cheered on)

And...

You, go for becoming a real mangaka!!

Did you really write this story by yourself?

I don't know I suck at drawing...

I suddenly started to be recognized.

It may look like nothing. Because we don't know much about Alice.

Actually many of my friends didn't even know I drew.

That's the reason why everything still feels unrealistic. For me and why I'd like to thank you all. (I compressed wicked long story. Still, I believe it got through. Ke...)

Thank you for reading my manhwa. I'll bring even more fun ones!

The intro ended up being long. Now to simply explain about 'For Alice'.

Wow I really know nothing about Alice...

It's my first time with Alice book!

I thought Cheshire, Hatter, Heart Queen, and White Rabbit were all.

It's focused on 10 - 20 years' old people who don't know much about Alice, like me.

I always think Alice, but thinking up the story is the most fun ♥

Still, since it's the same old Alice material story, other thinking for fans of titles

1. Alice in Wonderland is written for a girl
2. But the twist is, Alice said away the book.
3. Beep------(I can't say this yet!)

FOR ALICE

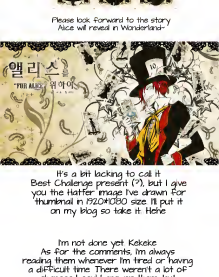
Misty Rain

And, since there're a lot of characters appearing unlike my previous work, I did all sorts of things like doing some researching of characters in some other works and such.

You may think these characters are all, but For Alice is divided into season 1 and 2. Plus, the characters above are all For season 1 There are even more in season 2.

Plus, since each character have their own story. Story is f------ng long. It's story For all characters Alice is not the only main character.

Please look Forward to the story Alice will reveal in Wonderland~



It's a bit lacking to call it Best Challenge presents (?), but I give you the Hatter image I've drawn For thumbnail in 1920*1080 size. It put it on my blog so take it. Hehe

Im not done yet Kekeke
As For the comments, Im always reading them whenever Im tired or having a difficult time. Theirs weren't a lot of chance I could answer them, but I'll answer some at this chance and exit ~

Didn't Alice sell the story, Carroll gave her for a cheap price?

It was sold for £15,400 to an American dealer, but in 1919 was given back to the United Kingdom by millionaire Alfred Rosenbach after complex negotiations.

Alice sold it in an auction For $400 pounds. It's about 24400000 won in Korean currency. A good example of how you make money with a good phrase.

Im pretty sure that's not why he gave the story to her..? ~_~

Didn't John Tenniel Pictures of Alice In Wonderland use a different girl as Alice model?

There was a rumour that Dodgson said Tenniel a photo of one of a other child-friends. Alice Pleasance Liddell, suggesting that he sent to as a model,[1] but attempts to find documentary support for this have failed.

Carroll sent a picture of a girl named Mary Hilton Braddock to Tenniel to use as Alice's model, but... We don't know if Tenniel really used the girl as the model or not, and Carroll said the following. He said he did not need a model, but he made a mistake because Tenniel's no model some of the Alice pictures are out of proportion! a.k.a. Body defect! (In short, lol)

Furthermore, there's a possibility that Alice's sister was the model. In any case, what's important is that Alice Liddl is short black haired girl. Kk

Isn't Harold none of March Rabbit, not White Rabbit?

Herald, read the accusation! said the King.

On this the White Rabbit blew three blasts on the trumpet, and then unrolled the parchment scroll, and read as follows.

This is the only part where White Rabbit's name is mentioned in chapter 1 How pitiful it only appears once ~_~ ~_~
We should call his name lots Hehe

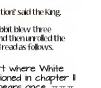
No fancafe??

1. ARU makes a FancaFe

2. Cannot manage it due to busy life

3. It becomes a ghost cafe.

4. A real ghost appears



You understand now!

Now I must go draw chapter 7, so I'll wrap it up now. Again, thank you For reading For Alice with interest

If you have lots of questions about the work, I'll also, I'll also try.
Q&A, Fcought, maybe, Fcough caught
We all that be ok?? Actually, I was thinking of doing it, but Best Challenge! Me in Best Challenge! I'll do it after some more characters appear ~_~ (Since even the rule hasn't made the appearance ~_~)

Then, see you in chapter 7 ~_~

Just throwing out a preview ♥
